AiSP Events and Updates

Ladies in Cyber Symposium 2024 30 August 2024

As part of AiSP Ladies in Cyber Charter 6 years anniversary in 2024, AiSP will be organising the third AiSP Ladies in Cyber Symposium on 30 Aug 24 as part of the International Cyber Women Day Celebrations held on 1 Sep every year. The symposium will be held on **30 Aug 24 (Fri) evening** at JustCo Marina Square for female Youths and PMETs to know more about the importance of Cybersecurity and how women can play a role in it. We are expecting 150 Youths and professionals for the symposium.

We are pleased to have **Minister of State for Ministry of Digital Development and Information & Ministry of Health – Ms Rahayu Mahzam** to be our distinguished Guest of Honour for the event and to have a dialogue session with the attendees on Cybersecurity.

The details for the event:

Date: 30 August 2024
Time: 6PM – 8.30PM

Venue: JustCo @ Marina Square
Guest of Honour: Minister of State, Ministry of Digital Development and Information & Ministry of Health, Ms Rahayu Mahzam
Attire: Smart Casual

Sign up [here](#) by 28 Aug 24. Registration is based on first come first served basics limit to 150pax. Please feel free to invite all your female friends for the event.

AiSP DevSecOps SIG Meetup 3 September 2024

Calling all practitioners and students of DevSecOps. We are a newly minted Special Interest Group in AiSP - DevSecOps. We will be organizing a Meet Up session in Sep to build a community of professionals and students so as to share knowledge and meet others who has expertise in this area. In future, we will also provide a platform for vendors to share their solutions to help in this area to improve the practices. Come join us for some fun and food.

Pizzas (Halal & Vegetarian)/Drinks/Coffee & Tea will be available but bring your Name Cards, LinkedIn QR codes to meet up and network.

PS - If you would like to sponsor some prizes for the lucky draw, please let us know: stanley.eu@aisp.sg

DDoS Mitigation Advisory

DDoS Mitigation Advisory

The Distributed Denial of Service (DDoS) Mitigation Advisory provides guidance to organisations on how to prepare for, identify, contain and mitigate DDoS attacks whilst minimising impact to business operations.

The Advisory is structured around the Govern, Identify, Protect, Detect, Respond and Recover (GIPDRR) functions from the National Institute of Standards and Technology's Cybersecurity Framework (CSF) 2.0.

Best Practices

- Govern**
 - Establish organisational policies that outline the security goals
 - Establish a DDoS Incident Response Plan to facilitate smoother execution of DDoS response
- Identify**
 - Identify critical assets and services of the organisation that are exposed to public internet
- Protect**
 - Design for resiliency and conduct DDoS sustainability tests
 - Maintain good cyber hygiene and be familiar with the Response Plan
 - Engage DDoS Protection Service Providers
- Detect**
 - Monitor for early warnings for DDoS attacks for prompt response and minimal disruption
 - Determine the nature and scope of the DDoS attack and communicate details to the right teams
- Respond**
 - Execute DDoS Incident Response Plan and other mitigation measures to minimise the impact of the DDoS attack and reduce service disruption
- Recover**
 - Perform restoration activities to resume normal operations
 - Review and incorporate lessons learned into DDoS Response Plan

For more information, visit www.csa.gov.sg

NTUC Mentorship Ecosystem Volunteer as an Industry Mentor

#EVERYWORKERMATTERS **ntuc**

Be a **mentor**
Inspire someone's growth

Mr Vincent Chong, Mr Allen Tan, Mr Goh Choon Pheng, Mr Vipul Chawla, Mr Perry Ong

The NTUC Mentorship Ecosystem is a one-stop resource and networking platform for mentees and mentors. It empowers mentees to navigate their careers and provides mentors with opportunities for personal development and to pay it forward.

Volunteer as an Industry Mentor. If you are:

- An experienced professional with at least 5 years of work expertise
- Well-connected with industry peers
- Ready to share your learnings and insights
- Ready to shape the future of youths and PMEs

Join us to reap the rewards of your mentorship endeavour:

- Develop coaching and mentorship skills
- Expand your industry and personal network
- Collaborate with fellow practitioners
- Make a lasting impact in the community

Volunteer as a mentor today!

On behalf of NTUC, we are keen to invite you to volunteer as an Industry Mentor under the NTUC Mentorship Ecosystem.

In our daily interactions with different segments of the workforce including youths, many have sounded out the need for career mentors. As a mentor, you can leverage on your industry and working experience to pay-it-forward and have meaningful conversations to share your expertise and guidance with individuals who would appreciate career navigation support and deeper insights into different roles in the workforce today. In return, as you support mentees, the NTUC Mentorship Ecosystem will support you with networks, training, and a community of peer support.

We sincerely hope you'll be a part of this movement and be a catalyst of change.

Click on [this link](#) to apply.

Please feel free to reach out to NTUC at ntumentorship@ntuc.org.sg.

CyberBoost Pre-Boost Accelerator Programme

What is CyberBoost Pre-Boost?
CyberBoost is a suite of supporting programs jointly organized by [NUS Enterprise](#) and [CSA](#), supported by [Plug and Play](#), that caters to companies at different stages of growth, providing different entry points for bespoke support.

As part of [CyberBoost Pre-Boost programme](#), you will undergo a structured 3-month program training, with 6 months venture support, taking your idea to market and even commercialization! You would also be able to receive dedicated mentorship from industrial professionals who are practitioners, business consultation advice from NUS Enterprise experts and even CSA, as well as a space for you to work out of in order to develop your idea or product.

Additionally, workshops and training are integrated into the program to equip you with knowledge spanning across fundraising, market access and even polishing your deck to be pitch-perfect, priming your venture building and growth.

New versions launched!

The question is not if, but when a cyber incident will occur?

EC-Council's Certified Incident Handler (ECIH) program equips students with the knowledge, skills, and abilities to effectively prepare for, deal with, and eradicate threats and threat actors in an incident.

The newly launched Version 3 of this program provides the entire **process of Incident Handling and Response** and hands-on labs that teach the **tactical procedures and techniques** required to effectively **Plan, Record, Triage, Notify** and **Contain**.

ECIH also covers **post incident activities** such as **Containment, Eradication, Evidence Gathering** and **Forensic Analysis**, leading to prosecution or countermeasures to ensure the incident is not repeated.

With over **95 labs, 800 tools** covered, and exposure to Incident Handling activities on four different operating systems, ECIH provides a well-rounded, but tactical approach to planning for and dealing with cyber incidents.

Special discount available for AiSP members, email aisp@wissen-intl.com for details!
