AiSP x IASA Seminar Enhance IT Security with Enterprise Architecture 20 September 2022

Businesses must ensure that their IT security strategies are aligned with and support business objectives, that they consistently comply with regulations through adherence to policies and internal controls, and that they provide accountability in order to manage risk. Enterprise Architecture (EA) framework serves as a standard for aligning business and IT objectives and governs IT security throughout the organisation. To thrive in the digital business, AiSP and IASA have collaborated to provide security professionals with high-impact EA training programmes that are globally certified and supported by IBF and SkillsFuture.

AiSP Events and Updates

Anti-Malware Day 3 November 2022

3rd November has been dedicated as Anti-Malware Day. On this day we will like to honor all the cybersecurity professionals at the frontline and behind the scene on the collective effort to stamp out on malware. There is no better way to prevent malware than raising awareness hence Huawei together with AiSP will like to present you Malware Awareness Day on 3rd November at Huawei DigiX Lab. Come and hear from our VIP speakers Mr Yum from CSA, Ferdinand Fong from Wizlynx and Jeffery Zhang from Huawei.

Email karen.ong@aisp.sg to RSVP now.

Registration for AVIP Membership!

Sign up for AVIP MEMBERSHIP

AVIP membership is the **FIRST** in Asia to bundle the Professional Indemnity for professionals involved in cybersecurity related work, to give them greater assurance undertaking projects in Singapore and worldwide.

BENEFITS

- Recognize a Trusted Information Security Professional. You can use the equivalent of AISP/ISAP indicated Information Security Professionals Member as your credentials
- Special invite to exclusive activities & events
- AVIP members enjoy the Professional Indemnity Coverage in Singapore and Overseas (**FIRST** in Asia!)
- AVIP members will be invited for key dialogue sessions with national & industry leaders for their opinions on cyber security
- AVIP members will be invited to represent AISP for media interviews on their opinions on cyber security

PRICE

CPP \$350 (One-time fee)
Ordinary (Path 1) Members: \$600 (incl GST) applications in 2022
Annual Membership: \$267 (incl GST)

EMAIL MEMBERSHIP@AISP.SG TO SIGN UP AND FOR ENQUIRIES

For all Ordinary Members (Path 1), we are pleased to share that AVIP Membership is now open for registration! Visit our website <https://www.aisp.sg/avip.html> to find out more about the entitlements of AVIP Membership. Please send in your form to membership@aisp.sg and the required documents in a password protected zip file. Send us the password through our telegram at https://t.me/AiSP_SG

Registration for NTUC Social Membership extended!

NTUC Social Membership

- Rider to Association Membership
- Ex-Blue Membership
Associates can be **Plus!** Social Membership for their associates
- Cost of \$10 per member per year
- Member receives **Plus!** Card
- Association Card
Associate Name on the back of the **Plus!** card
- Plus!** Card serves as both association and NTUC Social Membership card
