AiSP Events and Updates

AiSP International Cyber Women's Day Celebration 1 September 2022

International Women in Cyber Day is a global movement of women and male advocates who recognize September 1st as a special day set aside to bring awareness to the challenges women face and celebrate women's achievements within the cybersecurity industry.

This year, AiSP will be doing a sharing on our past achievements and updates on our new programme. We will end of the event with a networking and drinks (Free Flow of Cocktail & Red Wine). It will also be a night of networking and recruitment where every AiSP Female mentors can bring a female friend to join in the event too to know more about our programme.
Open to Females only!

Please contact secretariat@aisp.sg if you're interested to join

Learning Journey to Ensign InfoSecurity
6 September 2022

As part of the International Cyber Women Day Celebrations 2022, AiSP will be organising a learning journey to Ensign InfoSecurity on 6 Sep 22 from 2pm to 5pm where we will invite about 50 to 70 female Youths (Subjected to COVID restrictions) from our Student Chapters to come together physically for a day of celebration, learning journey and visiting the Ops Centre at Ensign InfoSecurity and interacting with the working personnel at Ensign.

Join us for an afternoon of enriching activities ranging from Dialogue Session with our Guest of Honour, Ms Gan Siow Huang, Minister of State in the Ministry of Education and Ministry of Manpower, Recruitment Talk, Internship Opportunities and visit to the Ops Centre. The event is open to all female students in tertiary level. Join MOS Gan, Ms cAsh Chng, Ministry CISO and Ms Sherin Y Lee at the event to hear what they have to share.
Open to Female students only for Physical!

Anti-Malware Day
3 November 2022

3rd November has been dedicated as Anti-Malware Day. On this day we will like to honor all the cybersecurity professionals at the frontline and behind the scene on the collective effort to stamp out on malware. There is no better way to prevent malware than raising awareness hence Huawei together with AiSP will like to present you Malware Awareness Day on 3rd November at Huawei DigiX Lab. Come and hear from our VIP speakers Mr Yum from CSA, Ferdinand Fong from Wizlynx and Jeffery Zhang from Huawei.

Email karen.ong@aisp.sg to RSVP now.
